

Miramare

This is an interesting, self-supporting square pergola with 4 corner lighting fixtures. The antique brass tubing structure was designed as a decorative element with strong visual impact. The pergola can be covered with climbing plants. It comes with all the accessories needed for a simple lawn anchoring, although it can be customized with wood, granite or tiled flooring. The gazebo can be adapted to fit the space available based on a design agreed in advance with the client. Item provided with lighting fixture including bulb.
